

Appl No 10/611,943
Am qt. dated March 26, 2007
Reply to Office action of March 9, 2007

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Original) A method of delivering a parcel to a recipient, comprising:
 - a) attempting a delivery at a primary location; and
 - b) if the delivery fails, delivering the parcel to a preferred redirection location;
wherein the preferred redirection location is selected by the recipient.
2. (Original) The method of claim 1, further comprising notifying the recipient that the parcel has been delivered to the preferred redirection location.
3. (Original) The method of claim 2, wherein the notification step comprises sending an email to the recipient.
4. (Original) The method of claim 2, wherein the notification step comprises sending a SMS message to the recipient.
5. (Original) The method of claim 2, wherein the notification step comprises batching manual records of deliveries.
6. (Original) The method of claim 2, further comprising the recipient communicating with a delivery service to change the redirection location.
7. (Original) The method of claim 2, wherein prior to step (a), the method further comprises registering with a delivery service.
8. (Original) The method of claim 7, wherein the registration step comprises providing the preferred redirection location to the delivery service.

Appl. No 10/611,943
Amdt. dated March 26, 2007
Reply to Office action of March 9, 2007

9. (Original) The method of claim 8, wherein the registration step comprises providing the primary location to the delivery service.

10. (Original) The method of claim 8, wherein the registration step comprises generating an identifier unique to the recipient.

11. (Original) The method of claim 8, wherein the registration step comprises generating an identifier unique to the transaction.

12. (Original) The method of claim 9, wherein the primary location is a residential address of the recipient.

13. (Original) The method of claim 1, further comprising:
if the delivery to the preferred redirection location fails, delivering the parcel to a secondary redirection location.

14. (Original) The method of claim 13, wherein the secondary redirection location is a default redirection location selected by a delivery organization.

Claims 15-21 (Canceled).
